2. *February 26, Associated Press* – (West Virginia) **Feds cite W.Va. gas driller following '12 fire.** Ellenboro-based Hall Drilling LLC was fined \$12,600 by the U.S. Department of Labor's Occupational Safety and Health Administration for violating two safety procedures at the Wolf Summit drill site after the August 2012 blaze.
Source: <http://www.theintermountain.com/page/content.detail/id/293777/Feds-cite-W-Va--gas-driller-following--12-fire-.html?isap=1&nav=5023>
3. *February 26, KSAT 12 San Antonio* – (Texas) **High winds across San Antonio fuel fires, knock down trees, power lines.** Over 30,000 CPS Energy customers lost power due to high winds that knocked down power lines burned homes, and shut down roads.
Source: <http://www.ksat.com/news/High-winds-across-San-Antonio-fuel-fires-knock-down-trees-power-lines/-/478452/19084564/-/delmpd/-/index.html>
4. *February 25, Easton Express-Times* – (Pennsylvania) **UGI agrees to pay \$500,000 fine for fatal Allentown gas explosion.** A settlement between UGI Utilities Inc. and the Pennsylvania Public Utility Commission was reached from the February 2011 Allentown gas explosion that killed five people and demolished eight homes. The company agreed to pay \$500,000 and complete their plans of replacing the aged cast-iron gas pipes sooner.
Source:
http://www.lehighvalleylive.com/allentown/index.ssf/2013/02/ugi_agrees_to_pay_500000_fine.html
5. *February 25, Associated Press; Forum of Fargo-Moorhead* – (North Dakota) **Police say thieves steal \$50,000 in copper wire.** Fargo Electric Construction was robbed of \$50,000 worth of copper wiring when criminals broke in February 25. Police are investigating the incident and looking for the assailants.
Source: <http://www.newstimes.com/news/crime/article/Police-say-thieves-steal-50-000-in-copper-wire-4306771.php>
6. *February 24, Associated Press* – (California) **PG&E boosts training after deaths of 3 workers.** After three reported deaths over the span of three years, officials at Pacific Gas and Electric Co. are enhancing utility training on safety for all employees. After California Occupational Safety and Health Administration cited the company for several safety violations, PG&E took the steps necessary to ensure its personnel are

properly trained.
