Energy Sector

1. *July 17, Associated Press* – (New Mexico) **NM reaches \$920K settlement with gas processor.** New Mexico-based Occidental Permian Limited Partnership reached a settlement with the State Environment Department to pay a \$95,000 penalty and spend at least \$825,482 on new equipment after the department alleged the plant failed to fully report emissions from flaring events that exceeded permit limits for carbon monoxide, hydrogen sulfide, sulfur dioxide, and other pollutants in 2010.
Source: <http://fuelfix.com/blog/2013/07/17/nm-reaches-920k-settlement-with-gas-processor/>
2. *July 17, Associated Press* – (California) **California seeks record fines for 2010 pipeline explosion.** California regulators amended a brief July 16 filed against Pacific Gas & Electric Co. to pay at least \$300 million in fines in connection with a deadly 2010 gas pipeline explosion that killed eight people and destroyed 38 homes in the San Francisco Bay area. Regulators originally recommended no fine, and instead called on the company to spend \$2.25 billion on pipeline safety.
Source: <http://news.msn.com/us/california-seeks-record-fines-for-2010-pipeline-explosion>
3. *July 16, Associated Press* – (International) **Talos: Fewer than 420 gallons of condensate, small amount natural gas leaked from Gulf well.** Talos Energy LLC reported less than 420 gallons of condensate and a small amount of natural gas escaped and evaporated after a well in the Gulf of Mexico leaked the week of July 8. The two wells that were temporarily shut down when the leak began have not yet resumed production.
Source: <http://www.dailyjournal.net/view/story/794893cacd5a47faa7f08dca9513a78f/LA--Gas-Well-Leak/>
4. *July 16, Forum of Fargo-Moorhead* – (North Dakota) **5 people injured in ND oilfield explosion.** Authorities are investigating an oilfield explosion at Trustian Oilfield Services in New Town July 16 that left five workers injured. The sheriff's department believed the fire started when the workers were removing a cover on an oil fuel tank and an electric drill ignited the blaze.
Source: <http://www.inforum.com/event/article/id/406309/>
5. *July 16, Salt Lake Tribune* – (Utah) **Lightning suspected in Duchesne County oil tank blaze.** A lightning strike is believed to be the cause of a July 16 fire when several oil storage tanks were destroyed at an unoccupied drilling site in Duchesne County.
Source: <http://www.sltrib.com/sltrib/news/56602308-78/fire-county-duchesne-energy.html.csp>
6. *July 16, Associated Press* – (North Dakota) **Halliburton cited in worker death in North Dakota oil fields.** Halliburton was cited for safety violations by the U.S Occupational Safety and Health Administration for the January death of a worker at an

oil rig site north of Watford City. The administration also proposed \$14,000 in fines.
Source: <http://www.wday.com/event/article/id/83800/>

Financial Services Sector

13. *July 17, WNBC 4 New York City* – (New York) **Serial Manhattan bank robber sought in 6 thefts since June.** New York City police identified a suspect tied to six bank robberies in Manhattan between early June and July 8 and requested the public's help in locating him.

Source: <http://www.nbcnewyork.com/news/local/Bank-Robberies-Manhattan-Suspect-Midtown-Upper-West-Side-Police-Suspect-215812661.html>

14. *July 16, U.S. Department of Justice* – (Michigan) **Seven defendants in mortgage origination fraud scheme indicted for bank fraud conspiracy along with other charges.** Seven defendants were indicted for their alleged roles in a mortgage fraud conspiracy that operated out of Detroit between 2006 and 2008 and caused lenders to pay \$10 million in fraudulent mortgage loan funds.

Source: <http://www.justice.gov/opa/pr/2013/July/13-tax-798.html>

[\[Return to top\]](#)

Transportation Systems Sector

15. *July 17, Moapa Valley Progress* – (Nevada) **Accident stops southbound traffic on I-15.** A portion of Interstate 15 in Nevada was closed for 3 hours July 17 after a semi-

truck hauling gypsum overturned and spilled sand following an accident with another vehicle.

Source: <http://mvprogress.com/2013/07/17/accident-stops-southbound-traffic-on-i-15/>

16. *July 17, Associated Press* – (New York) **Erie Canal fully reopens after flood closing.** New York officials reopened the last stretch of the Erie Canal that had been closed by severe flooding in late June. High water had closed 125 miles of the Erie Canal from the Albany area to central New York.
Source: http://www.syracuse.com/news/index.ssf/2013/07/erie_canal_fully_reopens_after_flood_closing.html
17. *July 16, Access North Georgia* – (Georgia) **One critically injured in north Hall wreck.** An accident involving a passenger car and a dump truck blocked Highway 60 in the Murrayville area for about 2 hours July 16.
Source: <http://www.accessnorthga.com/detail.php?n=263570>
18. *July 16, Hampton Roads Daily Press* – (Virginia) **One person killed in I-264 west crash.** A fatal accident involving two vehicles stopped traffic on Interstate 264 West near Campostella Road in Norfolk for over 3 hours July 16.
Source: <http://www.dailypress.com/news/breaking/dp-afternoon-traffic-0716,0,1796145.story>
19. *July 16, KWTX 10 Waco* – (Texas) **Victim of deadly Highway 6 crash identified.** A fatal crash involving an 18-wheeler and a passenger car closed both the northbound and southbound lanes of Highway 6 in Hearne for several hours July 16.
Source: <http://www.kwtx.com/home/headlines/Deadly-Crash-Closes-Highway-6-Lanes-215690621.html>
20. *July 16, KWTW 9 Oklahoma City* – (Oklahoma) **All lanes open after semi rolls on I-44, spilling frozen chicken.** A semi-truck carrying frozen chicken nuggets overturned on the off-ramp to southbound Interstate 44 near Oklahoma City, closing all westbound lanes for nearly 9 hours July 16.
Source: <http://www.news9.com/story/22851756/semi-rolls-on-i-44-spilling-frozen-chicken>
21. *July 16, WBTW 13 Myrtle Beach* – (South Carolina) **US 17 bypass near Backgate reopens after crash knocks down utility pole.** An accident in which a vehicle collided with a utility pole closed a portion of the intersection of Farrow Parkway and Highway 17 Bypass in Myrtle Beach for 14 hours July 16.
Source: <http://www.wbtw.com/story/22849911/car-takes-out-stoplight-at-farrow-parkway>

Food and Agriculture Sector

22. *July 16, Food Safety News* – (National) **Cyclospora hits more than 170 in Midwest.** According to State health officials in Iowa and Nebraska, a cyclospora outbreak has sickened at least 81 people in Iowa and 53 in Nebraska, as well as an unknown number of people in neighboring Midwestern States. Investigators are working to identify the outbreak source, though they suspected a raw vegetable product that is no longer on the market.
Source: <http://www.foodsafetynews.com/2013/07/cyclospora-hits-more-than-150-in-midwest/>
23. *July 16, Food Safety News*– (National) **Case count rises to 147 in hepatitis A outbreak linked to Pomegranate Seeds.** The Centers for Disease Control and Prevention announced that four more illnesses have been reported in the hepatitis A outbreak linked to pomegranate seeds sold in the western U.S., bringing the total case count up from 143 to 147. The newly recorded cases occurred in California, which reported one new case, and New Mexico, which reported three.
Source: <http://www.foodsafetynews.com/2013/07/case-count-rises-to-147-in-hepatitis-a-outbreak-linked-to-pomegranate-seeds/>
24. *July 16, U.S. Food and Drug Administration* – (Oregon; Washington) **Hagee Foods Inc. dba Penny's Salsa Inc. recalls hummus products because of possible health risk.** Hummus products made by Hagee Foods Inc. dba Penny's Salsa Inc., have been recalled because they have the potential to be contaminated with *Listeria monocytogenes*.
Source: <http://www.fda.gov/Safety/Recalls/ucm361127.htm>

[\[Return to top\]](#)

Water and Wastewater Systems Sector

25. *July 17, Associated Press* – (New Jersey) **Chemical spill at Passaic Valley Water treatment plant is contained.** Drums of hydrogen peroxide began fuming and venting at the Passaic Valley Water Commission water treatment plant in Totowa July 17, prompting a hazmat response to contain the situation.
Source: http://www.nj.com/passaic-county/index.ssf/2013/07/chemical_spill_at_totowa_water_treatment_plant_is_contained.html
26. *July 17, Ann Arbor Journal* – (Michigan) **Large generator stolen from wastewater treatment plant.** A 150 kilowatt generator was stolen from Loch Alpine Sanitary Authority's wastewater treatment plant July 16. A hole was found cut in the plant's fence.
Source: http://www.heritage.com/articles/2013/07/16/ann_arbor_journal/news/doc51dec93224d57898609942.txt

27. *July 17, Associated Press* – (Missouri) **Kirksville pays fine for water treatment problems.** The city of Kirksville agreed to pay an \$8,550 fine levied by the U.S. Environmental Protection Agency for the city's failure to conduct required testing at industrial water treatment sites.
Source: <http://www.columbiamissourian.com/a/163782/kirksville-pays-fine-for-water-treatment-problems/>
