Water and Wastewater Systems Sector

21. *July 28, Oneida Daily Dispatch* – (New York) **Oneida still cleaning up wastewater treatment plant, parks.** The city of Oneida continued repairs to damaged electrical panels and motors that became submerged during rainstorms at the wastewater treatment plant. Until repairs are completed, three temporary pumps are being utilized to move sewage into the treatment system.
Source: http://www.oneidadispatch.com/articles/2013/07/28/news/doc51f4562c6d480362145915.txt?viewmode=fullstory

22. *July 28, Natchez Democrat* – (Mississippi) **City gets $300K, needs $1 million for sewage repairs.** Repairs to a pumping station installation in Natchez will help address pressure in the sewage lines and sewage leaks after several residents complained about

the ongoing sewage problems. Once funding is received to cover the entire cost of repairs, the pumping station will only operate during periods where excess sewage water exists such as heavy rainstorms.
Source: http://www.natchezdemocrat.com/2013/07/28/city-gets-300k-needs-1-million-more-for-sewage/

23. *July 28, WTEV 47 Jacksonville/WAWS 30 Jacksonville* – (Florida) **More than 400K gallons of sewage spills into Gainesville creeks.** Gainesville Regional Utilities asked residents to stay away from Gainesville creeks after more than 400,000 gallons of sewage spilled July 26 in low-lying areas in Alachua County. Warning signs were posted at Possum and Hogtown Creeks and will be taken down after samples confirm no danger is present.
Source: http://www.actionnewsjax.com/content/topstories/story/More-than-400k-gallons-of-sewage-spills-into/ZPdxtox9fEalfvEOjAf0AQ.cspx

24. *July 26, Associated Press* – (New York) **Falls wastewater plant back on line.** After its pumps were knocked offline by a severe storm July 19, sending over 100 million gallons of wastewater into the Niagara River, the Falls wastewater treatment plant was back online July 26 with five temporary pumps assisting in the plant's operation.
Source: http://niagara-gazette.com/local/x1724762439/Falls-wastewater-plant-back-on-line

25. *July 26, Lower Hudson Valley Journal News* – (New York) **Westchester faces water fines; short terms fix sought for White Plains, Scarsdale.** Westchester County missed a deadline to improve water treatment for customers in Scarsdale and White Plains and faces up to $150,000 per month in legal action and fines from the U.S. Department of Justice.
