Nuclear Reactors, Materials, and Waste Sector

7. *November 19, Las Vegas Sun; Associated Press* – (National) **Court suspends collection of fees for nuclear waste disposal.** The U.S. Court of Appeals in Washington, D.C. ordered the U.S. Department of Energy to submit to Congress a proposal to change the fee nuclear power plants pay for nuclear waste disposal to zero due to the failure of the federal government to deliver on its obligation to select a nuclear waste disposal site.
Source: <http://www.lasvegassun.com/news/2013/nov/19/court-suspends-collection-fees-nuclear-waste-dispo/>

[\[Return to top\]](#)

Critical Manufacturing Sector

8. *November 20, Reuters* – (Indiana) **Subaru-maker Fuji Heavy restarts tornado-hit Indiana plant.** Fuji Heavy Industries resumed operations at its Subaru manufacturing plant in Lafayette November 19 a day after it was shut down due to damage from storms and tornados.
Source: <http://www.reuters.com/article/2013/11/20/autos-subaru-tornado-idINL4N0J515820131120>
9. *November 19, U.S. Department of Labor* – (Arkansas) **Welspun Tubular LLC in Little Rock, Ark., cited by U.S. Department of Labor's OSHA for exposing workers to possible amputation hazards.** The Occupational Safety and Health Administration cited pipe manufacturer Welspun Tubular LLC., for one willful and one serious safety and health violation at its Little Rock facility. Proposed fines totaled \$77,000.
Source:
https://www.osha.gov/pls/oshaweb/owadisp.show_document?p_table=NEWS_RELEASES&p_id=25122
10. *November 19, U.S. Consumer Product Safety Commission* – (National) **Baja Motorsports recalls mini bikes due to fall, crash hazard.** Baja Motorsports issued a

recall for about 23,000 MB2000 gas-powered mini bikes manufactured between August 2010 and August 2012 due to an issue that can cause the front fork to separate from the wheel, creating fall and crash hazards.

Source: <http://www.cpsc.gov/en/Recalls/2014/Baja-Motorsports-Recalls-Mini-Bikes/>

[\[Return to top\]](#)

Defense Industrial Base Sector

11. *November 19, KTVU 2 Oakland; Associated Press* – (California) **Explosion at defense contractor's office injures 2.** An explosion at the Aerojet Rockeddyne facility in Rancho Cordova injured two employees November 19. Officials have not released details about the explosion, but are investigating.

Source: <http://www.ktvu.com/news/news/disasters/explosion-defense-contractors-office-injures-2/nbyDh/>

[\[Return to top\]](#)

Financial Services Sector

12. *November 20, USA Today* – (National) **JPMorgan, Justice Dept. reach \$13B settlement.** JPMorgan Chase and the U.S. Department of Justice finalized an agreement November 19 where the bank admitted that residential mortgage-backed securities it sold did not comply with guidelines and were not fit for sale. JPMorgan Chase agreed to pay \$13 billion in penalties to settle the case.
Source: <http://www.usatoday.com/story/money/business/2013/11/19/jpmorgan-justice-department-settlement/3638137/>
13. *November 19, Reuters* – (Texas) **Texas bank robber 'Mesh Mask Bandit' pleads guilty: records.** A Farmer's Branch, Texas man known as the "Mesh Mask Bandit" pleaded guilty November 19 to robbing or attempting to rob a total of 20 banks in 2013.
Source: <http://www.reuters.com/article/2013/11/19/us-usa-texas-maskbandit-idUSBRE9AI1BH20131119>
14. *November 19, IDG News Service* – (International) **Court shuts down online business listing operation.** The U.S. District Court for the Northern District of Illinois issued a temporary restraining order against a Canada-based online business listing operation that allegedly used fraudulent tactics to induce small businesses and churches to pay more than \$14 million for business listings they did not order.
Source: <http://www.networkworld.com/news/2013/111913-court-shuts-down-online-business-276131.html>
15. *November 19, Colorado Springs Gazette* – (Colorado) **Colorado Springs businessman convicted of fraud.** A Colorado Springs businessman was convicted of 13 counts of securities fraud and racketeering November 18 for raising \$8.5 million for purported vacation home investments and then using the money to pay investors in other ventures

he controlled and for personal expenses.

Source: <http://gazette.com/colorado-springs-businessman-brian-wellens-convicted-of-fraud/article/1509579>

[\[Return to top\]](#)

Transportation Systems Sector

16. *November 19, WTWO 2 Terre Haute* – (Illinois) **Two planes set on fire at Edgar County Airport.** The Edgar County Sheriff's Office and the Bureau of Alcohol, Tobacco, and Firearms are investigating after two turbo-prop aircraft owned by Venezia Marine, a company which also owned a plane involved in a fatal crash in August, were intentionally set on fire at the Edgar County Airport November 18.
Source: <http://www.mywabashvalley.com/story/two-planes-set-on-fire-at-edgar-county-airport/d/story/D10idaC880KMzTOlfu6HfQ>
17. *November 19, WPSD 6 Paducah* – (Illinois) **US 45 Ohio River Bridge closed indefinitely.** The Brookport Bridge on U.S. 45 over the Ohio River northbound from Kentucky into Illinois remains closed indefinitely because of the need to restrict access to storm damaged areas.
Source: <http://www.wpsdlocal6.com/news/local/US-45-Ohio-River-Bridge-closed-indefinitely-232543011.html>
18. *November 19, Des Moines Register* – (Iowa) **Six car accident caused oil spill on 80/35 this morning.** A 6-vehicle accident involving a semi-truck that leaked 70 gallons of oil on Interstate Highway 80/35 in Iowa closed 3 lanes of westbound traffic for 2 hours while the Iowa Department of Natural Resources cleaned up the spill November 19.
Source: <http://blogs.desmoinesregister.com/dmr/index.php/2013/11/19/accident-backs-up-traffic-on-8035/article>
19. *November 19, Northern Virginia Daily* – (Virginia) **Chemical leak closes Toms Brook exit.** A semi-truck carrying 45,000 pounds of zirconium acetate that leaked 150 gallons of the hazardous fluid prompted the closure of Exit 291 off Interstate 81 in Shenandoah County for over 6 hours and the evacuation of a 30-meter area while a HAZMAT team investigated and cleared the scene November 18-19.
Source: <http://www.nvdaily.com/news/2013/11/chemical-leak-closes-toms-brook-exit.php>
20. *November 19, Journal of the San Juan Islands* – (Washington) **Panel finds ferry crew at fault in collision with motor yacht.** A board of inquiry ordered by the Washington State Ferries investigative panel determined that human error and miscommunication contributed to a collision in September where a ferry struck and caused damage to a yacht near the Lopez Island ferry terminal, and provided six recommendations for improvements to prevent future incidents.
Source: <http://www.sanjuanjournal.com/news/232528961.html>

21. *November 19, U.S. Environmental Protection Agency* – (Alaska) **Alaska Department of Transportation and Public Facilities to close contaminated wells, protect groundwater in EPA agreement.** To limit the risk of drinking contaminated well water, the U.S. Environmental Protection Agency and the Alaska Department of Transportation and Public Facilities reached an agreement November 19 to close 55 motor vehicle waste disposal wells located at State vehicle repair and maintenance facilities across Alaska.

[\[Return to top\]](#)

Food and Agriculture Sector

22. *November 19, Associated Press* – (Texas) **Cedar Park pharmacy linked to bacterial outbreak.** State Health Services linked a Cedar Park compounding pharmacy to a bacterial outbreak at Corpus Christi hospitals that killed 2 patients, sickened 17, and prompted the recall of the company's sterile products in August after a U.S. Food and Drug Administration inspection found bacteria in an unopened bag of sterile drugs at a local hospital that was indistinguishable from that found in the blood of the sickened patients.
Source: <http://www.kxan.com/news/williamson/cedar-park-pharmacy-linked-to-bacterial-outbreak>
23. *November 19, U.S. Department of Labor* – (New York) **US Labor Department's OSHA cites Tyson Foods, proposes \$121,720 in fines for workplace safety hazards at Buffalo, NY, production plant.** The Occupational Safety and Health Administration cited Tyson Foods Inc., and proposed fines totaling \$121,720 for repeat and serious violations of workplace safety standards following a May 15 inspection at its Buffalo, New York, manufacturing plant that found workers exposed to new and recurring hazards.
Source:
https://www.osha.gov/pls/oshaweb/owadisp.show_document?p_table=NEWS_RELEASES&p_id=25119
24. *November 19, U.S. Food and Drug Administration* – (National) **USPlabs LLC announces a recall of OxyELITE Pro dietary supplements due to possible health risk, recall expanded to include: raspberry lemonade OxyELITE Pro super thermo powder.** USPlabs LLC of Dallas, Texas, voluntarily expanded a recalled of OxyElite Pro dietary supplement products, to include OxyElite Pro Super Thermo capsules, OxyElite Pro Ultra-Intense Thermo capsules, and OxyElite Pro Super Thermo Powder, because the products contain Aegeline, which has been associated with liver damage cases in Hawaii. The U.S. Food and Drug Administration's investigation of

these products is ongoing.

Source: <http://www.fda.gov/Safety/Recalls/ucm375740.htm>

25. *November 18, Quality Assurance Magazine* – (National) **FSIS issues final generic meat labeling rules.** The U.S. Department of Agriculture’s Food Safety and Inspection Services (FSIS) issued a final rule November 7 that amended and consolidated the regulations governing meat and poultry product label approvals under a new Code of Federal Regulations to where the FSIS will generically approve the labels effective January 2014.

Source: <http://www.qualityassurancemag.com/FSIS-generic-meat-labeling-rules.aspx>

26. *November 18, U.S. Food and Drug Administration* – (National) **Blount Fine Foods voluntary recall of “Wegmans New England clam chowder” due to possible undeclared crab allergen.** Blount Fine Foods of Fall River, Massachusetts, recalled a single lot of Wegman’s branded refrigerated New England clam chowder products because of undeclared crab allergen after a consumer found a crab shell in the soup.

Source: <http://www.fda.gov/Safety/Recalls/ucm375734.htm>

[\[Return to top\]](#)

Water and Wastewater Systems Sector

27. *November 19, New Orleans Times-Picayune* – (Louisiana) **To fight brain-eating amoeba, St. Bernard water reaches necessary chlorine levels.** St. Bernard Parish reached the 1 milligram of chlorine per liter of water standard November 14 and must maintain those levels for 60 consecutive days as mandated by the Louisiana Department of Health and Hospitals after a rare brain-eating amoeba was found in the water system.

Source: http://www.nola.com/politics/index.ssf/2013/11/to_fight_brain-eating_amoeba_s.html

28. *November 19, Montgomery News* – (Pennsylvania) **Horsham approves new water, sewer lines to deal with contamination.** The Horsham Council permitted the installation of new water and sewer lines November 13 for the residents of Limekiln Pike and Park Road after 2 years of dealing with perchloroethylene contaminated wells. The installation will begin December and is expected to be complete by May 2014.

Emergency Services Sector

36. *November 20, CNN* – (International) **Search widens in Florida for 2 missing after air ambulance crash.** Two people were killed and two others are missing after a Mexico-based air ambulance crashed into the Atlantic Ocean after dropping off a patient at Fort Lauderdale-Hollywood International Airport November 19. Rescue crews continued searching for the missing persons while authorities investigated the crash.
Source: <http://www.cnn.com/2013/11/20/us/florida-plane-crash/>
37. *November 19, WRCB 3 Chattanooga* – (Tennessee) **Chattanooga Fire Station 8 temporarily relocates firefighters.** Tests confirmed mold was present at Chattanooga Fire Station 8 November 19 prompting officials to temporarily relocate firefighters at Fire Station 6 while crews removed the mold and treated the building.
Source: <http://www.wrcbtv.com/story/24016529/chattanooga-fire-station-8-temporarily-relocates-firefighters>

[\[Return to top\]](#)

Information Technology Sector

38. *November 20, Krebs on Security* – (International) **Cupid Media hack exposed 42M passwords.** Personal information including names, unencrypted passwords, email addresses, and birthdays belonging to around 42 million Cupid Media customers was discovered on the same servers that stored stolen information from Adobe, PR Newswire, and other organizations. The Australia-based dating site company stated that the data appeared to be related to a January 2013 breach.
Source: <http://krebsonsecurity.com/2013/11/cupid-media-hack-exposed-42m-passwords/>
39. *November 20, V3.co.uk* – (International) **Google adds Android and Apache to open source security rewards programme.** Google expanded its security rewards program for researchers who reveal security issues to include its Android mobile

operating system, Apache httpd, and others. Google plans to further expand the platforms included in the program before the end of the year.

Source: <http://www.v3.co.uk/v3-uk/news/2308040/google-adds-android-and-apache-to-open-source-security-rewards-programme>

40. *November 20, Softpedia* – (International) **Your LG Smart TV is spying on you, even if you tell it to stop.** A security researcher found that LG Smart TVs can collect data on channels watched, device IDs, and the file names of external media even if the device's advertisement service option is disabled. The information is then transmitted without encryption.
Source: <http://news.softpedia.com/news/Your-LG-Smart-TV-Is-Spying-on-You-Even-If-You-Tell-It-to-Stop-401874.shtml>
41. *November 20, Help Net Security* – (New Jersey) **E-Sports to pay \$1M to settle covert Bitcoin mining complaint.** E-Sports Entertainment entered into a settlement with the State of New Jersey and agreed to pay \$1 million to resolve allegations that it infected around 14,000 computers in New Jersey with malware that allowed E-Sports to monitor subscribers' program usage, mine Bitcoins, and create a botnet.
Source: <http://www.net-security.org/secworld.php?id=15984>
42. *November 19, Softpedia* – (International) **Google Ads point to fake Snapchat downloads.** Researchers at ThreatTrack Security found that users searching for "Snapchat download" may encounter sponsored results that lead to potentially unwanted applications when they intend to download Snapchat. Similar campaigns of misleading sponsored search results have appeared on Bing as well.
Source: <http://news.softpedia.com/news/Google-Ads-Point-to-Fake-Snapchat-Downloads-401630.shtml>
43. *November 19, SC Magazine* – (International) **Phony anti-virus programs evade detection with stolen certificates.** Researchers at BitDefender found a fake antivirus program named Antivirus Security Pro utilizing stolen digital certificates issued for East Entertainment Services in 2012. BitDefender contacted Ease Entertainment so that the certificates can be revoked.
Source: <http://www.scmagazine.com/phony-anti-virus-programs-evade-detection-with-stolen-certificates/article/321734/>
44. *November 18, IDG News Service* – (International) **Hackers actively exploiting JBoss vulnerability to compromise servers, researchers say.** Researchers have spotted an increase in attackers using a known vulnerability found in products from several vendors to compromise JBoss Java EE application servers.
Source: <http://www.networkworld.com/news/2013/111913-hackers-actively-exploiting-jboss-vulnerability-276071.html>
45. *November 18, IDG News Service* – (International) **Google to pay \$17 million to States in Apple cookies case.** Google reached a settlement with 37 States and the District of Columbia over its unauthorized placement of cookies on devices running

Apple's Safari Web browser, and agreed to pay \$17 million.

Source: <http://www.networkworld.com/news/2013/111813-google-to-pay-17-million-276070.html>
