## Energy Sector

1. *February 24, Associated Press* – (Pennsylvania) **1 of 2 gas wells sealed in Pa. after fatal blast.** Chevron crews capped one of two gas wells February 23 that exploded and caught fire February 11, killing a worker in Greene County's Dunkard Township. A Pennsylvania Department of Environmental Protection official stated that the second gas well should be sealed by February 26.  
Source: <http://www.wpxi.com/news/ap/pennsylvania/1-of-2-gas-wells-sealed-in-pa-after-fatal-blast/ndZWn/>
2. *February 23, Associated Press* – (Colorado) **Colorado panel Oks new oil- and gas-drilling rules.** The Colorado Air Quality Control Commission approved February 23 a plan to reduce air pollution from oil and gas drilling, including a Statewide limit on methane emissions. Companies operating in the State will be required to inspect facilities for leaks, up to once a month, install the latest valves and auto-igniters, and capture or control 95 percent of emissions, using vapor-recovery tanks or other technology.  
Source: <http://news.msn.com/us/colorado-panel-oks-new-oil-and-gas-drilling-rules>
3. *February 21, Associated Press* – (North Carolina) **Duke plugs second leaking pipe at coal ash plant.** The North Carolina Department of Environment and Natural Resources announced February 21 that Duke Energy plugged a second pipe running under its Eden coal ash plant that was leaking arsenic-laced groundwater into the Dan River. Tests found that river water still violated State standards for aluminum and iron levels.  
Source: <http://www.kolotv.com/news/nationalnews/headlines/Duke-Plugs-Second-Leaking-Pipe-at-Coal-Ash-Plant-246610851.html>
4. *February 21, Salt Lake Tribune* – (Utah) **EPA: U.S. Magnesium dumped acid on Utah public lands.** The U.S. Environmental Protection Agency reported February 21 that U.S. Magnesium spilled 8,000 pounds of hydrochloric acid into an unlined retention pond and onto some adjacent land in Tooele County in January. The spill was reported once the company and the Agency came to an agreement on a mitigation plan for cleanup and the development of plans to address future spills.

6. *February 24, Softpedia* – (International) **Neiman Marcus says 350,000 cards are impacted by breach, not 1.1 million.** Neiman Marcus published a letter on its Web site the week of February 17 stating that around 350,000 payment cards may have been affected by a 2013 data breach, not 1.1 million as originally reported, after learning the malware used in the breach was not operating at all stores, and was not operating every day.

Source: <http://news.softpedia.com/news/Neiman-Marcus-Says-350-000-Cards-Are-Impacted-by-Breach-Not-1-1-Million-428905.shtml>

7. *February 24, Softpedia* – (International) **Banking malware distributed via YouTube ads.** Bromium researchers found that cybercriminals compromised an ad network that hosted the Styx exploit kit used to serve advertisements on YouTube. The exploit kit pushes Caphaw malware onto infected devices leveraging Java vulnerabilities to obtain banking information.

Source: <http://news.softpedia.com/news/Banking-Malware-Distributed-via-YouTube-Ads-429011.shtml>

8. *February 22, Hernando Today* – (Florida) **'Skimmers' captured 342 credit cards.** A joint investigation between U.S. Secret Service and Hernando County Sheriff's Office

found that 342 payment card numbers were captured between February 18-19, on skimming devices installed on 4 gas pumps at a Hess Gas Station in Brooksville. Patrons were advised to cancel their cards and have new ones issued.

Source: <http://hernandotoday.com/he/list/news/skimmers-captured-342-credit-cards-20140222/>

9. *February 21, KTVU 2 Oakland* – (California) **Mom, son, daughter charged in gas pump ID skimming ring.** At least six individuals were charged in connection with a skimming scheme after they allegedly placed skimming devices on several gas station pumps around California's Bay Area. Over a 2-year period, the group bought more than \$500,000 worth of merchandise and stole thousands of card numbers.

## **Transportation Systems Sector**

10. *February 24, Dallas Morning News* – (Texas) **Westbound lanes of LBJ Freeway reopen after early morning crash that killed 2.** Westbound lanes of Interstate 635 reopened after being closed more than 5 hours following a fatal crash February 24. Two people were killed after being ejected from a pickup truck that rolled down an embankment and off a retaining wall before landing on Interstate 635.

Source: <http://thescoopblog.dallasnews.com/2014/02/police-investigating-deadly-crash-on-westbound-lbj-freeway-near-greenville-avenue.html/>

11. *February 24, Associated Press* – (Louisiana) **River closed at New Orleans after barge spills oil.** A 65-mile stretch of the Mississippi River is closed between New Orleans and Vacherie due to a marine accident involving a barge and two tugboats February 22 that resulted in an unknown amount of crude oil spilling into the river. River traffic was halted temporarily in an effort to contain the oil and avoid contaminating passing vessels.

Source: <http://news.msn.com/us/river-closed-at-new-orleans-after-barge-spills-oil>

12. *February 24, WCMH 4 Columbus* – (Ohio) **2-year-old boy, dad & teen killed in Union County crash.** Police responded to a 2-vehicle crash that killed three people and injured three more on State Route 161 in Union County, Ohio February 23. A portion of the highway was closed for about five hours while officials investigated the accident.

Source: <http://www.nbc4i.com/story/24800752/three-killed-in-union-county-crash>

13. *February 23, KDVR 31 Denver* – (Colorado) **Hwy 13 closed after fuel tanker rolls over, sparks fire.** A portion of Highway 13 in Garfield County was shut down for several hours February 23 after a semi-truck rolled over and ignited, and spilled fuel and hazardous materials. No injuries were reported, but cleanup was expected to take an extended amount of time due to the spills.

Source : <http://kdvr.com/2014/02/23/hwy-13-closed-after-fuel-tanker-rolls-over-sparks-fire/>

14. *February 23, KECI 13 Missoula* – (Idaho) **Highway 12 closed on Idaho side.** The Idaho Transportation Department reported February 23 that about a 61-mile section of Highway 12 in Idaho is closed indefinitely due to avalanche warnings and wintry road conditions.  
Source: <http://www.nbcmontana.com/news/highway-12-closed-on-idaho-side/24631138>
15. *February 22, WJW 8 Cleveland* – (Ohio) **All lanes of I-90 reopened after water line break.** A section of Interstate 90 in Rocky River, Ohio was closed for about nine hours February 22 after a 12-inch water main broke and sent several gallons of water flowing onto the highway. All lanes were reopened after repairs were made and the damage was assessed.  
Source: <http://fox8.com/2014/02/22/portion-of-i-90e-closed-due-to-water-line-break/>
16. *February 22, WGCL 46 Atlanta* – (Georgia) **Three killed in plane crash at LaGrange-Callaway Airport.** The National Transportation Safety Board and the Federal Aviation Administration are investigating the cause of a February 22 twin-engine aircraft accident that killed all three passengers at the LaGrange-Callaway Airport in Georgia.  
Source: <http://www.cbsatlanta.com/story/24795013/plane-carrying-3-crashes-at-lagrange-airport>

18. *February 24, Associated Press* – (South Carolina) **DHEC issues hepatitis warning for Hilton Head restaurant.** The South Carolina Department of Health and Environmental Control (DHEC) advised people who dined or worked at Hudson's Seafood House on the Docks in Hilton Head Island February 15 to seek medical treatment by March 1 for possible exposure to the hepatitis A virus. DHEC was contacted after an employee who worked that day had tested positive for the virus.  
Source: <http://www.wltx.com/story/news/health/2014/02/24/hilton-head-hudson-seafood-house-hepatitis-a/5773567/>
19. *February 23, WWTW 9 Cadillac* – (Michigan) **Sackett Potato farm fire.** Twelve departments from three counties responded to the Sackett Potato farm February 23 after a fire broke out and destroyed the main office building and a repair shop used to fix

farm equipment.

Source: <http://www.9and10news.com/story/24798910/sackett-potato-farm-fire>

20. *February 22, U.S. Department of Agriculture* – (International) **Canadian firm recalls various meat products without import inspection.** The U.S. Department of Agriculture's Food Safety and Inspection Service announced that Santa Maria Foods Corporation of Rexdale, Ontario, Canada recalled approximately 8,895 pounds of meat products that were imported without the benefit of full federal inspection, posing possible adverse human health consequences. The products were distributed into commerce in Arizona, California, and Florida, and the U.S. distributor also exported the products to Australia, Fiji, New Zealand, Tahiti, and Thailand.  
Source: <http://www.fsis.usda.gov/wps/portal/fsis/topics/recalls-and-public-health-alerts/recall-case-archive/archive/2014/recall-016-2014-release>
21. *February 22, Associated Press* – (Maine) **Maine area closed to lobster fishing.** The Maine Department of Marine Resources closed a seven square mile area of the Penobscot River in Maine to the harvesting of lobsters and crabs due to concerns about mercury contamination. The closure took effect February 22 and will last a minimum of two years.  
Source: <http://www.boston.com/news/local/maine/2014/02/22/maine-area-closed-lobster-fishing/xih053kwBzHRYXKEaOAULO/story.html>
22. *February 21, NorthEscambia.com* – (Florida) **High winds topple 18-wheeler, cause extensive damage to farm, barns.** Severe storms caused an estimated \$100,000 in damage to multiple barns, storage sheds, and farm equipment at a farm near Walnut Hill, Florida February 21.  
Source: <http://www.northescambia.com/2014/02/22high-winds-topple-18-wheeler-snaps-trees-downs-power-lines>

## **Healthcare and Public Health Sector**

25. *February 22, Fremont News-Messenger* – (Ohio) **Chemical mix-up causes hospital evacuation.** Memorial Hospital Herbert-Perna Center in Fremont, Ohio, was evacuated and closed February 20 after personnel accidentally poured a gallon of muratic acid into a barrel of chlorine, prompting HealthLink clients and patients to evacuate when a chemical reaction created a gas that filled the pool area.  
Source: [http://www.thenews-messenger.com/article/20140221/NEWS01/302210002/Foos-Memorial-address-vapor-leak?nclick\\_check=1](http://www.thenews-messenger.com/article/20140221/NEWS01/302210002/Foos-Memorial-address-vapor-leak?nclick_check=1)
26. *February 21, Associated Press* – (Ohio) **4 more sickened at Ohio assisted-living facility.** Four more residents of the Atria Northgate Park in Colerain Township became ill with what officials believe to be norovirus, bringing the total residents and staff members sickened by the virus to 27. Communal meals and activities were indefinitely suspended at the assisted-living facility in order to stop the virus from spreading while the building is being disinfected.  
Source: <http://www.fox19.com/story/24787648/4-more-sickened-at-ohio-assisted-living-facility>
27. *February 21, South Jersey Times* – (New Jersey) **Inspira Health Network informs patients of possible data breach after computer thefts.** A former Inspira Health Network employee was charged in connection with allegedly stealing two computers from the Inspira Medical Center Vineland's radiology department in December 2013 and selling them to a recycling yard. The health network notified 1,411 patients about a potential data breach.  
Source: [http://www.nj.com/cumberland/index.ssf/2014/02/inspira\\_health\\_network\\_informs\\_patients\\_of\\_possible\\_data\\_breach\\_after\\_computer\\_thefts.html](http://www.nj.com/cumberland/index.ssf/2014/02/inspira_health_network_informs_patients_of_possible_data_breach_after_computer_thefts.html)
28. *February 21, Associated Press* – (Delaware) **Delaware drug testing lab under scrutiny.** A Delaware State medical examiner's Controlled Substances Lab suspended testing indefinitely February 21 while police investigate discrepancies involving drug evidence sent to the lab. The investigation was initiated after authorities detected inconsistencies in returned drug evidence submitted to the lab for testing by several law enforcement agencies.  
Source: [http://www.washingtonpost.com/national/delaware-drug-testing-lab-under-scrutiny/2014/02/21/1ca18526-9b43-11e3-8112-52fdf646027b\\_story.html](http://www.washingtonpost.com/national/delaware-drug-testing-lab-under-scrutiny/2014/02/21/1ca18526-9b43-11e3-8112-52fdf646027b_story.html)
