Communications Sector

30. *March 5, NorthEscambia.com* – (Florida) **Phone service restored in Byrneville after 4 day outage.** AT&T customers in Byrneville had landline service restored March 4 after a water-damaged cable caused a service outage starting February 27.
Source: <http://www.northescambia.com/2014/03/phone-service-restored-in-byrneville>

[\[Return to top\]](#)

Commercial Facilities Sector

31. *March 5, KYW 3 Philadelphia* – (New Jersey) **Probe continues into deadly blast in New Jersey.** One person died and 7 utility workers were injured March 4 after a suspected gas-related explosion that destroyed 12 homes and left the occupants of 55 other units at the South Fork Housing Community in Ewing Township temporarily displaced. Officials are investigating the incident, but believe a utility contractor working at the complex may have struck and damaged a gas line shortly before the explosion.
Source: <http://philadelphia.cbslocal.com/2014/03/05/probe-continues-into-deadly-blast-in-new-jersey/>
32. *March 5, KDVR 31 Denver* – (Colorado) **2 injured in 3-alarm condo fire in Adams County near 88th and Corona.** Firefighters responded to a 3-alarm fire that burned 2 buildings of the Corona Village Condominiums complex in Adams County March 4. Two contractors working on the property were injured by the blaze, and the residents of up to 96 units were displaced.
Source: <http://www.thedenverchannel.com/news/local-news/flames-engulf-apartment-building-in-thornton-near-88th-and-corona>
33. *March 5, Associated Press* – (Michigan) **Fire burns at 3-story Detroit apartment building.** Authorities are investigating a fire that swept through the Jason Manor Apartments complex in Detroit March 5 and left dozens of residents from 39 units displaced. At least four people were transported to area hospitals, while others were treated at the scene.
Source: <http://abcnews.go.com/US/wireStory/fire-burns-story-detroit-apartment-building-22781506>
34. *March 4, WOWK 13 Huntington* – (West Virginia) **Fire marshal rules fire at WVU**

apartment complex to be arson. West Virginia fire officials ruled arson was the cause of a March 1 fire that temporarily displaced residents of one building of the Campus Evolution Villages apartments in Morgantown. Investigators also discovered vandalism to two other data/sprinkler rooms in two other buildings of the complex.

Source: <http://www.wowktv.com/story/24858039/fire-marshal-rules-fire-at-wvu-apartment-complex-to-be-arson>

35. *March 4, KNSD 39 San Diego* – (California) **Blast closes Del Cerro grocery store.** Officials suspect an electrical circuit breaker malfunctioned and caused a small explosion and fire that prompted the closure of Windmill Farms grocery store in San Diego March 3 until repairs are completed. A contractor working on the breaker was injured, and 10 employees were evacuated from the building.
