## **Energy Sector**

1. *April 14, WDIV 4 Detroit* – (Michigan) **DTE: 100,000 customers without power.** DTE Energy crews worked to restore power to 100,000 customers around Detroit April 14 after an April 12 storm produced strong winds and knocked out electricity.  
Source: <http://www.clickondetroit.com/weather/dte-60000-customers-without-power-after-spring-storm/25455788>
2. *April 12, Clarksburg Exponent Telegram* – (West Virginia) **Antero Resources shuts down well pad after water tanks rupture.** A pair of water production tanks ruptured April 11, prompting Antero Resources to shut down its Marsden well pad in the Town of West Union in West Virginia. Authorities reported that the spill was fully contained and the cause of the rupture is under investigation.  
Source: [http://www.theet.com/news/local/antero-resources-shuts-down-well-pad-after-water-tanks-rupture/article\\_6b11bbea-c1f9-11e3-992f-0019bb2963f4.html](http://www.theet.com/news/local/antero-resources-shuts-down-well-pad-after-water-tanks-rupture/article_6b11bbea-c1f9-11e3-992f-0019bb2963f4.html)
3. *April 12, Forum of Fargo-Moorhead* – (North Dakota) **560-barrel pipeline leak reported south of Medora.** Continental Resources reported that a pipeline leaked about 560 barrels of production fluid near Medora into dry drainage, with some reaching flowing drainage. Approximately 100 barrels were recovered April 12 while inspectors remained on site to test the water and soil.  
Source: <http://www.inforum.com/event/article/id/432002/>
4. *April 12, KSAT 12 San Antonio* – (Texas) **Fuel from south-side refinery spills into S.A. River.** About 1,100 gallons of fuel spilled April 11 when a Calumet-owned refinery plant in San Antonio was transferring jet fuel to a rail truck. Authorities reported that less than 100 gallons of the spilled fuel leaked into the San Antonio River April 12.  
Source: <http://www.ksat.com/news/fuel-from-southside-plant-spills-into-sa-river/25449818>

[\[Return to top\]](#)

## **Transportation Systems Sector**

9. *April 14, WDIV 4 Detroit* – (Michigan) **1 killed in Southfield Freeway crash early Monday morning.** Southbound lanes of the Southfield Freeway at Grand River in Detroit were closed for nearly 3 hours April 14 after a motorcyclist was killed when he rear-ended a semi-truck.  
Source: <http://www.clickondetroit.com/news/southbound-southfield-freeway-closed-due-to-deadly-motorcycle-accident/25462594>
10. *April 14, WNEM 5 Bay City* – (Michigan) **I-75 will be shutdown to work on damaged lines.** Officials shut down north and southbound lanes of Interstate 75 at Dort Highway in Genesee County April 14 to repair poles and power lines damaged during storms the weekend of April 12. The Dort Highway extension to I-75 remained closed after authorities previously closed several portions of the interstate due to the strong storms.  
Source: <http://www.wnem.com/story/25240708/i-75-will-be-shutdown-to-work-on-damaged-lines>
11. *April 14, Tulsa World* – (Oklahoma) **FAA: Pilot reported engine trouble before plane crash near Lake Tenkiller.** Two men were hospitalized April 12 when a single-engine plane crashed near Lake Tenkiller in Oklahoma. The Federal Aviation Administration is investigating the incident and stated that the pilot reported an engine issue prior to the crash.  
Source: [http://www.tulsaworld.com/news/local/faa-pilot-reported-engine-trouble-before-plane-crash-near-lake/article\\_8ba4a3fb-8bb0-59de-85ed-b3ab1aa76686.html](http://www.tulsaworld.com/news/local/faa-pilot-reported-engine-trouble-before-plane-crash-near-lake/article_8ba4a3fb-8bb0-59de-85ed-b3ab1aa76686.html)
12. *April 14, KXAS 5 Fort Worth* – (Texas) **One killed in small plane crash in Denton.** One passenger was killed and two others were hospitalized after a small plane crashed April 12 while the pilot was attempting an emergency landing in Denton due to a mechanical failure. High winds caused the single-engine aircraft to crash near the airport.  
Source: <http://www.nbcdfw.com/news/local/Small-Plane-Crash-in-Denton-1-Dead-255061331.html>
13. *April 13, CNN* – (International) **Cruise ship passengers sickened on luxury liners.** The U.S. Centers for Disease Control and Prevention is investigating after Royal Caribbean's *Grandeur of the Seas* had two back-to-back outbreaks of illness, primarily with vomiting and diarrhea, affecting more than 100 people in both instances in April. A third outbreak affected Princess Cruise's *Crown Princess* during its week-long cruise ending April 12 impacting 152 passengers and crew.  
Source: <http://www.cbs58.com/news/national-news/Cruise-ship-passengers-sickened-on-luxury-liners-255080461.html>
14. *April 12, KERO 23 Bakersfield* – (California) **Gas truck on fire closes Highway 99 in both directions.** Several portions of Highway 99 in Bakersfield were closed after an April 12 accident involving a semi-truck carrying gas that rolled onto its side and caught on fire. Northbound and southbound lanes at State Route 65 reopened after more than 9 hours while a portion of the highway in Lerdo remained closed.

## **Commercial Facilities Sector**

30. *April 14, Associated Press* – (Kansas) **Official IDs supremacist as Kansas attacks suspect.** Police arrested and charged a suspect believed to be responsible for opening fire and killed three individuals April 13 outside of the Jewish Community Center of Greater Kanas City, then again outside the Village Shalom Jewish retirement community in Overland Park. Three individuals were killed during the attacks. Source: <http://news.msn.com/crime-justice/official-ids-supremacist-as-kansas-attacks-suspect>
31. *April 14, KPTV 12 Portland* – (Oregon) **Crystal Ballroom evacuated during concert.** More than 1,000 patrons of the Crystal Ballroom in Portland were evacuated as a precaution April 13 due to a damaged support beam in the venue. Source: <http://www.kptv.com/story/25238394/crystal-ballroom-evacuated-during-concert>
32. *April 13, KGO 7 San Francisco* – (California) **5-alarm fire destroys multiple businesses in Berkeley.** A 5-alarm fire that broke out April 12 at a commercial building in Berkeley destroyed or damaged several businesses, and knocked out power to 1,500 PG&E customers, prompting the evacuation of nearby businesses and residents. The blaze caused significant traffic delays in both directions along Interstate 80 and service at two local Amtrak stations was halted due to fire hoses being run across the tracks. Source: [http://abclocal.go.com/kgof/story?section=news/local/east\\_bay&id=9501921](http://abclocal.go.com/kgof/story?section=news/local/east_bay&id=9501921)
33. *April 13, KEPR 19 Pasco* – (Washington) **Toyota Center evacuated due to ammonia leak.** An ammonia leak at the Toyota Center in Kennewick prompted the evacuation of hundreds of people attending an event at the venue April 13. Crews ventilated the building and were searching for the source of the leak, with plans to reopen the facility April 14. Source: <http://www.keprtv.com/news/local/Toyota-Center-evacuated-due-to-ammonia-leak-255107101.html>
34. *April 13, News 12 Bronx* – (New York) **Homeless shelter evacuated after manhole**

- explosion on Crotona Avenue in Belmont.** A manhole explosion and high carbon monoxide levels forced more than 50 people to evacuate the Thorpe Family Residence homeless shelter in the Brooklyn area of New York City April 13. Con Edison crews responded to the incident.  
Source: <http://bronx.news12.com/news/homeless-shelter-evacuated-after-manhole-explosion-on-crotona-avenue-in-belmont-1.7691866>
35. *April 12, St. Louis Post-Dispatch* – (Missouri) **Edward Jones Dome evacuated for natural gas or propane odor.** About 12,000 convention attendees were evacuated from the Edward Jones Dome in St. Louis April 11 after a natural gas or propane odor was detected inside the venue. Gas service was shut off while crews worked to locate the source of the odor, and two individuals were treated at the scene.  
Source: [http://www.stltoday.com/news/local/crime-and-courts/edward-jones-dome-evacuated-for-natural-gas-or-propane-odor/article\\_ad999a9d-8ab1-5ef5-9478-357d7ebd8416.html](http://www.stltoday.com/news/local/crime-and-courts/edward-jones-dome-evacuated-for-natural-gas-or-propane-odor/article_ad999a9d-8ab1-5ef5-9478-357d7ebd8416.html)
36. *April 12, Reuters* – (New York) **N.Y. jewelry robber ties up worker, flees with \$54,000 in jewelry.** Police are searching for a man who tied up an employee of the Margo Manhattan jewelry store in the Manhattan area of New York City April 11 and stole \$54,000 of jewelry from the store.  
Source: <http://www.reuters.com/article/2014/04/12/us-usa-new-york-robbery-idUSBREA3B0AI20140412>
37. *April 12, WBOC 16 Salisbury* – (Maryland) **Salisbury Walmart cleared after bomb threat.** Authorities are investigating after a bomb threat was phoned into a Walmart in Salisbury April 12, prompting the store to evacuate and close for about 4 hours. Police searched and cleared the scene April 13 after no explosive device was found.  
Source: <http://www.wboc.com/story/25233115/salisbury-walmart-evacuated-for-bomb-threat>
38. *April 11, Dallas Morning News* – (Texas) **Dallas Fire-Rescue battles 3-alarm blaze at apartments near White Rock Lake.** A 3-alarm fire broke out April 11 at the Winsted Apartments complex in Lakewood, leaving about 40 residents displaced and causing an estimated \$250,000 in damage. Dallas Fire-Rescue officials determined that the cause of the fire was the careless use of a welding torch by workers performing maintenance on the building's roof.  
Source: <http://thescoopblog.dallasnews.com/2014/04/dallas-fire-rescue-battles-3-alarm-blaze-at-apartment-complex-near-white-rock-lake.html/>
39. *April 11, Hagerstown Morning Herald* – (West Virginia) **Falling Waters, W.Va., retreat to pay environmental violations fines for wastewater-treatment plant.** Potomac Park Camp Inc., entered into a \$14,380 settlement with the West Virginia Department of Environmental Protection April 10 to resolve environmental violations at a wastewater-treatment plant located on its Potomac Park Retreat & Conference Center in Falling Waters.
