Emergency Services Sector

30. *December 22, CNN* – (New York; Maryland) **NYC mayor: Attack on police is an attack on all New Yorkers.** The New York Police Department is investigating more than 15 threats against officers posted on social media platforms following the death of 2 officers December 20 who were killed by a man in Brooklyn after he allegedly broadcasted his intentions to kill police on social media. The suspect was found dead of a self-inflicted gunshot wound and authorities tied him to the shooting of an ex-girlfriend in Baltimore.
Source: <http://www.cnn.com/2014/12/22/us/new-york-police-officers-killed/index.html>
31. *December 21, WIVB 4 Buffalo* – (New York) **Vandals cause \$50K damage to fire company.** Vandals broke into the Clarksville Volunteer Fire Company station in New

York December 20 and caused between \$40,000-\$50,000 in damages to fire trucks, equipment, and other parts of the building. Volunteer firefighters will use equipment from other fire companies to fight fires while authorities continue to investigate the incident.

Source: <http://wivb.com/2014/12/21/vandals-cause-50k-damage-to-fire-company/>

32. *December 19, WISC 3 Madison* – (Wisconsin) **Officials: All 911 services restored after 7-hour outage.** Frontier Communications' crews repaired a broken fiber optic line that was severed by a third party December 18, which knocked out 9-1-1 service to nearly 20,000 residents across several southern Wisconsin counties for approximately 7 hours. Customers were provided with a direct number to dial for emergencies while crews worked to repair the damaged line.

Source: <http://www.channel3000.com/news/adams-county-wis-dells-report-911-outage/30295488>

[\[Return to top\]](#)

Information Technology Sector

33. *December 22, Securityweek* – (International) **Easily exploitable NTP vulnerabilities put ICS operators at risk.** Researchers with Google's Security Team identified and reported several vulnerabilities in the Network Time Protocol (NTP) which could allow low-skilled attackers to crash the NTP daemon or execute arbitrary code using publicly available exploits. The Industrial Control Systems Cyber Emergency Response Team (ICS-CERT) released an advisory regarding the vulnerabilities due to the wide use of NTP within industrial control systems (ICS) deployments.

Source: <http://www.securityweek.com/easily-exploitable-ntp-vulnerabilities-put-ics-operators-risk>

34. *December 19, Securityweek* – (International) **Hackers used sophisticated SMB Worm Tool to attack Sony.** The United States Computer Emergency Readiness Team (US-CERT) issued an advisory and indicators of compromise after attackers were found to use a Server Message Block (SMB) Worm Tool in a recent destructive attack against a major entertainment company. The SMB Worm Tool contained five components, allowing it to compromise systems, enable backdoor access, and destroy hard drive contents.

Source: <http://www.securityweek.com/hackers-used-sophisticated-smb-worm-tool-attack-sony>

[\[Return to top\]](#)

Communications Sector

35. *December 21, Bluefield Daily Telegraph* – (West Virginia) **Arrest made in copper theft.** Two McDowell County men were arrested December 19 for allegedly stealing copper cables that disrupted telephone service for approximately 240 Frontier Communications' customers in the Big Sandy-Hensley area December 16-December 17.
Source: http://www.bdtonline.com/news/arrests-made-in-copper-theft/article_63bb6440-8896-11e4-aad2-4778d6c2d7cf.html
36. *December 19, Associated Press* – (National) **T-Mobile paying at least \$90M for unwanted services.** The U.S. Federal Trade Commission announced December 19 that T-Mobile US will pay at least \$90 million for overbilling customers for unauthorized charges under a settlement with federal regulators after authorities accused the company for billing customers for cellphone text services they did not order.
Source: <http://abcnews.go.com/Business/wireStory/mobile-paying-90m-refunds-unwanted-services-27719411>
37. *December 19, Payson Roundup* – (Arizona) **Squirrel suspected in service outage.** A damaged fiber optic cable left thousands of CenturyLink, Suddenlink, Verizon, and AT&T customers in Rim Country without telephone, Internet, and TV services for nearly 9 hours December 16. Some businesses and banks in the area were forced to close due to the loss of service.
Source: <http://www.paysonroundup.com/news/2014/dec/19/squirrel-suspected-service-outage/>

[\[Return to top\]](#)

Commercial Facilities Sector

38. *December 21, St. Paul Pioneer Press* – (Minnesota) **Mall of America temporarily closes stores amid Saturday protest.** Several stores on the east side of the Mall of America in Bloomington were closed for more than 4 hours December 20 after about 1,500 individuals gathered in a non-public space for a non-approved demonstration. Police arrested at least 20 individuals for various offenses but reported no injuries or incidents of violence or theft.
Source: <http://www.duluthnewtribune.com/news/3639488-mall-america-temporarily-closes-stores-amid-saturday-protest>
39. *December 21, WDEL 1150 AM Wilmington* – (Delaware) **1 dead, 2 hurt after fire at Harbor House Apartments in Claymont.** A December 21 fire at the Harbor House Apartments complex in Claymont caused at least \$1 million in property damage. One resident was killed and 2 others were injured while 38 residents were displaced from 2 buildings at the complex.
Source: <http://www.wdel.com/story.php?id=64938>

40. *December 21, KNSD 39 San Diego* – (California) **Westfield North County Mall reopens after fire.** The Westfield North County Mall in Escondido delayed its opening December 21 due to a fire that broke out inside a store which prompted an evacuation of employees about 2 hours before the mall's scheduled opening. At least three stores and one restaurant remained closed after the mall was cleared to reopen.
Source: <http://www.nbcsandiego.com/news/local/Fire-Closes-Westfield-North-County-Mall--286499161.html>
41. *December 21, WIS 10 Columbia* – (South Carolina) **Community still in shock after 5 die in Spartanburg apartment fire.** Authorities are investigating a December 20 fire at the Southern Pines apartment complex in Spartanburg that killed 5 residents and displaced an additional 20 residents.
Source: <http://www.wistv.com/story/27679689/community-still-in-shock-after-5-die-in-spartanburg-apartment-fire>
42. *December 19, Associated Press* – (Indiana) **Indiana stage collapse victims reach settlement with Sugarland, Live Nation.** Eighteen defendants, including country duo Sugarland and concert promoter Live Nation, agreed to pay \$39 million to resolve claims in connection with 2011 a stage collapse at the Indiana State Fair that killed 7 individuals and injured nearly 100 others. An investigation revealed that the stage rigging that collapsed did not meet industry safety standards and that fair officials lacked an appropriate emergency plan.
